TWO WHEELS. ENDLESS POSSIBILITIES.

BIKE WORKS

Bicycles • Youth • Community • Education • Access • Employment • Social Justice

We launched Bike Works' 2017-2020 Strategic Plan last year, and provided more bicycle education, ridership, and leadership opportunities to our community than ever before. **And it's all because of you!**

In addition to our bike maintenance classes, youth rides, after-school programs, and bike giveaways, we remodeled our bike shop in Columbia City at the end of 2017. Was this the year you found your perfect ride or some affordable used fenders for the rainy season? By purchasing your gear or getting a tune-up at the shop, you are supporting Bike Works. As the weather gets nicer, come on down to see our refreshed space, spruce up your bike, donate an old one, or to sign up for one of our programs.

We couldn't do this work without our amazing community of youth, parents, volunteers, educators, and supporters like you. Thank you.

Sincerely,
