

BIKE WORKS 2012-2016 IMPACT REPORT CARD

BIKE WORKS

TWO WHEELS. ENDLESS POSSIBILITIES.

BIKE WORKS

BIKING • YOUTH • COMMUNITY • EDUCATION • ACCESS • ENVIRONMENT • SOCIAL JUSTICE

Dear Friends,

As I reflect on the recent accomplishments made through Bike Works Strategic Plan 2012 - 2016, with the goal to create a greater impact in the community, I am thankful for the many successes and the support Bike Works has had on this journey.

Every person we meet, every youth we work with has been assisted by a broad base of community support and we are thankful for each and every one of you. During this time we launched some new innovative programming including the bicycle mechanic Job Skills Training program for youth, the trifecta of UGottaGetaBike, Kids Bike-o-Rama and Bikes-for-All! programs which provide low-income individuals access to free bikes, and the BikeMobile, which visits communities without access to a traditional bike shop to help repair bikes and educate youth.

Bike Works is now launching a new Strategic Plan for 2017- 2020 which will continue to expand programming to engage more people in our community. Thanks to your support, Bike Works has served SE Seattle & beyond for 21 years, by promoting the bicycle as a vehicle for change to empower youth and build resilient communities.

Mobilized People. Thriving Communities. Healthy Planet.

Sincerely,
